LACF Corporate Sponsorship – Advancing the Ideals of Landscape Architecture

LACF seeks to establish mutually rewarding partnerships with like-minded corporate sponsors that support our mission of promoting and advancing the ideals of our profession through research, communication, and scholarship.

**LACF believes in the power of landscapes to transform our common future.
If you are reading this, we think you do too.**

Stand Out as a Leader in the Field of Landscape Architecture in Canada

Your contribution as an LACF corporate sponsor enables LACF to implement core research and scholarships programs.

- The Annual Grants Program awards funds to research projects that question, theorize, and surpass the boundaries of everyday practice.
- Scholarships are awarded to deserving scholars attending accredited programs in Canada, including two new national scholarships, the *Frederick Gage Todd National Scholarship*, and the *Peter Jacobs Indigenous Scholarship*.

Corporate sponsors' visibility is assured through our members, friends, and a broad network of promotional partners, including the Canadian Society of Landscape Architects and nine provincial, territorial, and regional component associations, universities and allied organizations. LACF takes pride in recognizing our partners in a variety of communications initiatives.

About LACF Corporate Sponsorship

As an LACF sponsor, you can choose the level of support that best fits your specific corporate profile, priorities, and budget according to the categories described on the following page. Your contribution will support our core programs unless you wish to specify otherwise. We are happy to customize a package and, as a national charitable organization, LACF provides a tax receipt for your donation.

Become part of a dedicated community that actively strives to build a better future.

Please contact us directly to discuss the advantages of becoming a LACF corporate sponsor. Thank you for your support!

Gerry Eckford, LACF Fundraising Committee Chair, gerry@etala.ca
